

2nd International Conference for S & SE Asia on "Tech Trends in Injection Moulding"

DAY 1 - Thursday, November 6th, 2008

DAY 2 - Friday, November 7th, 2008

Conference Chairman :
Mirisch Damani, Managing Director, Zylog Plastalloys Pvt. Ltd., India

08:30 Registration and Welcome Coffee:
09:30 Welcome and Inauguration Ceremony
10:00 Presentation by Chief Guest
..... Reliance Industries
10:15 Presentation by Mr Arvind Mehta
President, Plastindia Foundation

Key Note Paper:

10:30 "Novel Processes for Injection Moulding"
Dr Philip Adams, CEO
The Chatsworth Group, Singapore

11:00 Morning Refreshments

Session I:

11:30 "Process Control for Injection Moulding of Lenses"
Rob Mayes, Application Manager - Plastics
Kistler Instruments, Singapore

12:05 "Thin Wall Injection Moulding"
Ruediger Grings, Manager Applications
Netstal AG, Switzerland

12:45 "Injection Moulding of Long Fibre Materials -
Understanding & Applying the Advantages of LFRT"
Eric Lee, Business Manager, Structural Products
RTP Company, USA

13:20 Question & Answer Session

13:30 Lunch

Session II:

14:30 "Cost Savings and Increased Production
through Process Mix - IM, PU and Extrusion"
Ralf Kraemer, Sales Manager
Krauss Maffei Technologies GmbH, Germany

15:05 "Lexan DMX PC Film for Insert Mould Decoration"
UV Vijayakumar, Segment Application Leader, Telecoms
SABIC Innovative Plastics India

15:40 Afternoon Refreshments

16:15 "Fluid-Assisted (Gas / Water) Injection Moulding"
Nanda Kumar, MD
Wittmann Automation India

16:45 "Latest Technology Trends in Electric Injection
Moulding Machines"
Ramadas Nambi, General Manger-Roboshot,
Robomachine Division, Fanuc India

17:20 Question & Answer Session

Session III:

10:00 "Better Living in the World of Makrolon - New Innovative
Processing Technologies for PC and PC Blends"
Dr Holger Warth, VP - PC Business Development, Asia Pacific
Bayer MaterialScience, Hong Kong

10:35 "Tight Overmoulding with Ultramid® Seal-Fit"
Rohit Roop Ghosh - Asst Manager, Market Development
BASF Engineering Plastics, Singapore

11:10 "In-Mould Labeling"
Jayesh Gandhi - General Manager, Application & Tech. Services
Ferromatik Milacron

11:50 Morning Refreshments

12:15 "Injection Moulding of Small Precision Parts"
Eduard Stückle
Arburg GmbH, Germany

12:50 "Laser Direct Structuring (LDS) Materials for
Moulded Interconnect Devices"
Alexander Radek, General Manager,
Lanxess, Hong Kong Ltd

13:20 Question & Answer Session

13:30 Lunch

Session IV:

14:30 ...to be advised

Reliance Industries India

15:05 "Automation with Robots for Injection
Moulding Machines"
Nanda Kumar, MD
Wittmann Automation India

15:40 Afternoon Refreshments

16:15 "Advances in Vacuum Drying & Microblending in IM"
B.Patrick Smith, CEO
Maguire International, USA

16:45 "Hot Runner Technology and New Trends"
Prashant Shelar, Vice President
Synventive Molding Solutions JBJ PVT Ltd., India

17:20 Question & Answer Session
Concluding Remarks and Conference End
