

Thermoplastic Elastomers 2005

SECOND INTERNATIONAL CONFERENCE ON TPEs
IN S & SE ASIA

Technical Programme

24th & 25th November 2005
ITC Grand Maratha Sheraton Hotel
Mumbai, India

Major Sponsors

PLASTINDIA FOUNDATION

Organised by:

Chatsworth•Hall Pte Ltd in association with Plexium
Strategies for the Continuous Pursuit of Knowledge
(A member of The Chatsworth Group, Singapore)
(www.chatsworth-group.com)

Supported by media partners:

Popular Plastics + Packaging

and web partner:

Thursday 24th November	Friday 25th November
Conference Chairman : Dr Phil Adams, The Chatsworth Group, Singapore	
<p>08:00 <i>Registration and welcome coffee:</i></p> <p>09:00 <i>Welcome and Introduction by Conference Chairman</i></p> <p style="text-align: center;">Guest-of-Honour: Mr Mahesh Shah, President, Plastindia Foundation</p> <p>09:05 "Keynote Address by Reliance Industries Ltd" Special Guest - Mr Sujit Banerji, President Polymers & Olefins Business, Reliance Industries Ltd</p> <p>09:50 "TPEs and the Global Market Shifts in Asia" Robert Eller & Roger Young, Presented by Roger Young, Robert Eller Associates Inc., USA / Asia</p> <p>10:30 <i>Morning Coffee Break</i></p> <p>11:00 "Latest Trends in the Automotive Industry" Richard Wintersteller Managing Director Kraiburg TPE (M) Sdn Bhd, Malaysia</p> <p>11:40 "New Generation TPVs for Automotive Applications" Mirisch Damani & Rajesh Dhavalikar Zylog Plastalloys Pvt Ltd., India</p> <p>12:20 Presentation on "Plastindia 2006" by Plastindia Foundation</p> <p>12:50 <i>Lunch</i></p> <p>14:00 "Technology Trends and Applications for Soft Touch TPEs" KG Chandan - Managing Director Technovinyl Polymers Pvt Ltd., India</p> <p>14:40 "Automotive Applications using TPEs" Mr R.V. Joshi, Application Development DSM Engineering Plastics Asia Pacific, India</p> <p>15:20 "From Raw Material to Final Product: ZSK Twin Screw Extruders in the Production Chain for TPEs" Oliver Beiser - Sales Manager, Compounding Coperion Asia Pacific, Singapore</p> <p>16:00 <i>Afternoon Tea Break</i></p> <p>16:30 "TPU for Sheet and Film Applications" Lionel Vaz, Market Development Manager Noveon Inc., USA / India</p> <p>17:00 "Guidelines for Choosing and Processing TPEs - for the Designer, OEM and Processor" Paul Killian, RTP Company, USA Presented by Dr Phil Adams Regional Program Management, RTP Co., Singapore</p> <p>17:30 Discussion & End of Day One</p>	<p>08:00 <i>Welcome Coffee</i></p> <p>09:00 "Recent Advances in Specialty Plastics and Elastomers" Dr Deepak Parikh, Global Business Director, Dow Specialty Plastics & Elastomers, USA / Singapore.</p> <p>09:45 "New TPU Elastomers for India" Jean-Marc Galvez, Global Business Manager Merquinsa, Spain. Presented by DJ Bharucha, Bhimrajka Impex Ltd, India</p> <p>10:30 <i>Morning Coffee Break</i></p> <p>11:00 "Thermoplastic Elastomers in Extrusion Applications" Mr Chris Schroder; General Product Manager - Arnitel DSM Engineering Plastics Asia Pacific</p> <p>11:40 "Mold Profits with TPVs by One-to-One Substitution of Thermoset Rubbers" P.B. Raman / R. Jeevanadam Hydro S&S Industries Ltd</p> <p>12:20 "Advanced Multi-Component Technologies for Increased Productivity" Joerg Dassow FerroMatik Milacron, Germany</p> <p>13:00 <i>Lunch</i></p> <p>14:00 "TPU - A Wonder Polymer" B.V. Lakshmanan Country Representative, BU:TPU Bayer MaterialScience, India</p> <p>14:40 "PP Building Blocks for TPOs" Dr R Rangaprasad Polymers & Olefins Business, Reliance Industries Ltd</p> <p>15:20 "Novel SBC Compounds for Enhanced High Temperature Performance" Rajesh Varma, Market Development Manager GLS Corporation, USA / India</p> <p>16:00 <i>Afternoon Tea Break</i></p> <p>16:30 "Overmoulding Applications" Mr Venkatesh Srinivasan, Regional Manager SAARC Husky India</p> <p>17:10 Discussion & End of Conference</p>
