PLEXIUM was formed in 2005 in India, and is associated with "Chatsworth-Hall Pte. Ltd.", part of the Chatsworth Group Singapore.

Comitted to world-class events, PLEXIUM organises the conferences for the Plastics Industry. These quality content conferences are good knowledge-sharing platform bringing together technologists, scientists, practitioners and managers from institutes, materials manufacturers, equipments suppliers and the end user industries.

Past Events

- Thermoplastic Elastomers-2005
- New Developments in Engineering and High Performance Plastics-2007
- Tech-Trends in Injection Moulding-2008
- Polymer Tech-Trends in Wires & Cables-2008
- Tech-Trends in Plastic Moulds & Dies-2009
